Innovations in Mental Health Care
Avera eCARE® Behavioral Health

**Avera eCARE® Behavioral Health** provides mental health expertise in three key areas:

**EMERGENCY**
- An interdisciplinary behavioral health team in emergency and inpatient settings
- Expert crisis assessments for urgent care needs
- Assistance with admission and education of patient
- After-hour and gap coverage, providing relief while enhancing current services

**MEDICAL INPATIENT**
- Comprehensive crisis assessment
- Coordination of care
- Assistance determining availability for placement
- Supportive resources to help with complex behavioral health patients and crisis situations

**PSYCHIATRIC INPATIENT**
- Only 17% of EDs have psychiatrists on call

**OUR PARTNERSHIP ALLOWS YOU TO FOCUS ON PATIENT CARE.**
