

Innovations in Mental Health Care Avera eCARE[®] Behavioral Health

Avera eCARE[®] Behavioral Health provides mental health expertise in three key areas:

YOUR TEAM CAN RELY ON 24/7 ACCESS TO:

- An interdisciplinary behavioral health team in emergency and inpatient settings
- Expert crisis assessments for urgent care needs

- Assistance with admission and education of patient
- After-hour and gap coverage, providing relief while enhancing current services

OUR PARTNERSHIP ALLOWS YOU TO FOCUS ON PATIENT CARE.

- Comprehensive crisis assessment
- Coordination of care
- Assistance determining availability for placement
- Supportive resources to help with complex behavioral health patients and crisis situations

Only 17% of EDs have psychiatrists on call
